GET OUT OF OUR HOUSE

a NON-PARTISAN plan to evict the career politicians from the U.S. House of Representatives

National Website

www.GOOOH.com

Politicians are destroying our nation.

Neither party can fix what they have broken.

GOOOH is a non-partisan plan to elect true citizen representatives.

What exactly is GOOOH?

2

- GOOOH is a way to elect new leaders
- GOOOH is only focused on the U.S House of Representatives, for now
- GOOOH candidates will run in the primary, against the incumbent wherever possible
- GOOOH is NOT a party.

What is the purpose of GOOOH?

3

- To elect true citizen representatives
- To elect everyday Americans instead of politicians
- To replace the “good old boy” network
- To change the way candidates are funded
- To elect representatives who will
 - ❑ Serve the people
 - ❑ Not worry about political correctness
 - ❑ Not be controlled by party bosses
 - ❑ Not be indebted to the special interest groups who fund them
 - ❑ Do the work that needs to be done

How does GOOOH work?

4

- The GOOOH members of each district will choose ONE representative via the GOOOH selection process for their district
- All members in a district will be randomly sorted into groups of ten.

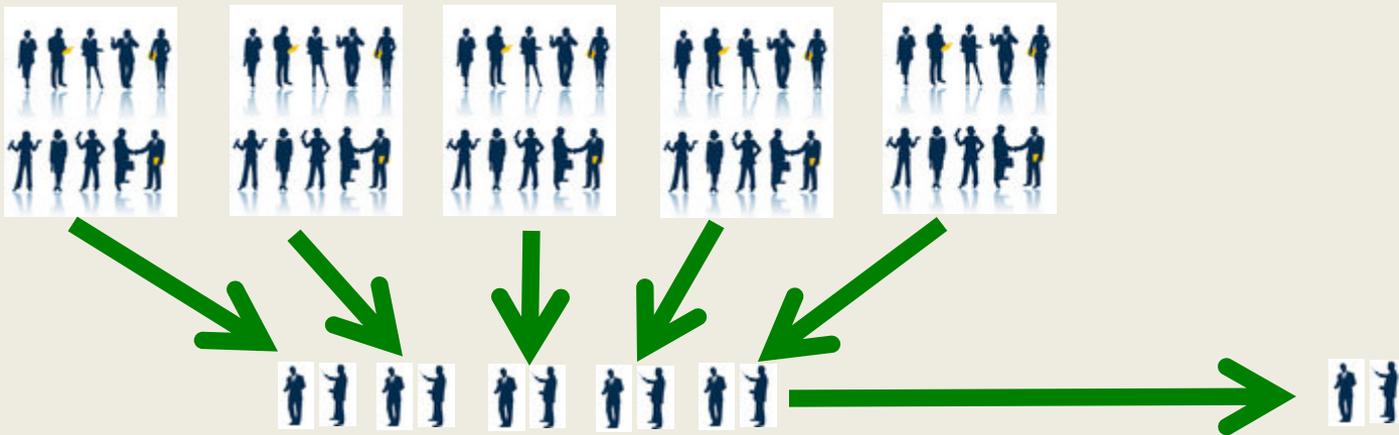

How does GOOOH work?

5

- Each group of ten will choose two candidates to advance to the next round.
- New groups of ten will be formed, and they will choose two candidates to advance.

How does GOOOH work?

6

- The final group of ten will choose one candidate.
- This becomes the GOOOH candidate for that district.
- Each district will choose one candidate
- GOOOH will help these candidate get on the ballot
- We hope to compete in the primary, against the incumbent.
- GOOOH will provide funding for the candidates

How Do The Groups Choose?

- Each participant will have completed the candidate questionnaire
- The answers of the other nine candidates will be considered
- A person's willingness to serve will be considered
- A person's communication skills, electability, accomplishments, etc. will all be considered
- Each person will vote for who they like, and who they do not.
- The votes will be tallied by the group.

Some Common Questions

8

1. Does everyone participate? Yes, we want every GOOOH member to help choose the candidate.
2. What if I don't want to be selected. Just tell the others.
3. What if I don't like the person who is chosen? You can always vote for one of the politicians
4. A third party cannot win! GOOOH is not a party. Our candidates will compete in the primaries
5. Where does the money come from. Each participant will donate \$100.

Republicans Are Not The Answer

13

Neither are the Democrats.

Both spend more money than we our nation can afford.

Both refuse to address the issues crippling our nation.

Both are more concerned with the next election and maintaining power than doing what is required.

It is time to do things differently.

It is time to elect true leaders.
