

GET OUT OF OUR HOUSE:

Revolution!

A New Plan for Selecting Representatives

Get Out of Our House (GOOOH) details the plan for Americans to evict all 435 politicians from the United States House of Representatives—replacing them with patriots just like you. The system is designed to bypass partisanship, sever ties with special interest money, replace career politicians, and hold elected officials accountable. Will you join the revolution?

TIM COX has developed innovative computer systems for twenty-four years. He now aims to leverage the internet to revolutionize the way we select our representatives.
