IF ELECTED, I WILL:

- 1) Fight to reduce the over-commitments of our government. Entitlements, welfare, and military commitments, nothing is sacred.
- 2) Defend our nation. The Federal Government will not seal our borders; it is up to Texas, New Mexico, Arizona, and California. We are TEXAS, and we are not scared to lead that fight!
- 3) Find a consumption based tax code. One man, one tax, across the board.
